La Maestra Pati

¡Hola, bienvenidos a los libros de La Maestra Pati!

La Maestra Pati es una serie de libros que cubre el área de las matemáticas en los **3** grados de educación preescolar y **6** de primaria.

Su objetivo es que los niños practiquen las matemáticas con un método reflexivo-lúdico, que involucre también el desarrollo de **habilidades y destrezas**.

Estos libros promueven que las matemáticas **enseñen a los niños a pensar**, formando individuos muy competentes, ya que aprenderán de manera reflexiva y no memorizando conceptos.

A través de los ejercicios de los libros los niños adquirirán seguridad y destreza en la aplicación de técnicas que impacten en un mejor aprovechamiento de lo aprendido para poder aplicar las matemáticas a la vida diaria.

Los libros están divididos en tres trimestres, mismos que abarcan los temas correspondientes a un ciclo escolar. Cada trimestre comprende:

Ejercicios: Los alumnos practican los contenidos vistos en la escuela, igual que diversas estrategias de cálculo mental reflexivo y ponen en juego habilidades y destrezas relacionadas con el pensamiento matemático.
Habilidades y destrezas: Contiene ejercicios para que los alumnos disfruten de las matemáticas aplicadas a juegos y actividades de recreación. Tienen como finalidad que los niños desarrollen diversas habilidades útiles para la maduración, la reflexión y el análisis.

Utilizando los libros de La Maestra Pati se pretende que los alumnos alcancen una **excelencia en educación** al cambiar la forma en que enseñamos y aprendemos, enfocándonos en los siguientes pilares:

Reflexión, la cual implica toma de decisiones y elección de estrategias, lo que formará alumnos muy competentes.

Motivación, debemos motivar a nuestros alumnos, ya que así lograremos obtener mejores resultados y al mismo tiempo adquirirán seguridad y autoestima.

Los libros de La Maestra Pati presentan una serie de juegos y retos para que los alumnos aprendan y se diviertan con las matemáticas.

Atentamente:
La Maestra Pati.

1 Primer trimestre

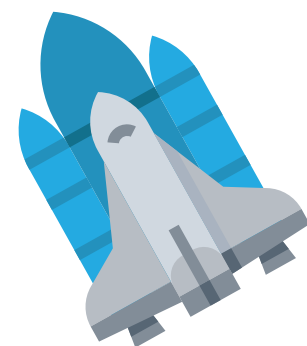

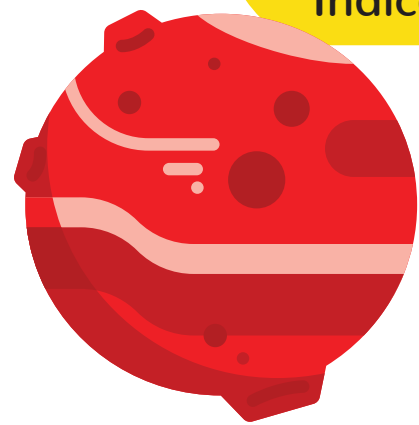

- 5. Los números hasta el 5.
- 11. Grande, mediano y chico.
- 13. Derecha e izquierda.
- 14. Es igual.
- 15. Es diferente.
- 16. No pertenece.
- 17. Figuras geométricas.
- 19. Figura faltante.
- 20. Series con figuras.
- 21. Caminos.
- 22. Colorear.
- 24. Completar figuras.

2 Segundo trimestre

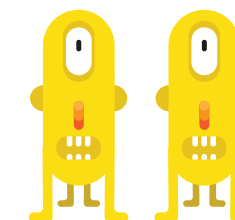

- 25. Los números hasta el 10.
- 31. Conteo de colecciones.
- 32. Completar figuras.
- 33. Derecha e izquierda.
- 34. Es igual.
- 35. Es diferente.
- 36. Figuras geométricas.
- 38. Figura faltante.
- 39. Series con figuras.
- 40. Secuencias.
- 41. Caminos.
- 42. Sombras.
- 43. Colorear.
- 44. Completar figuras.

3 Tercer trimestre

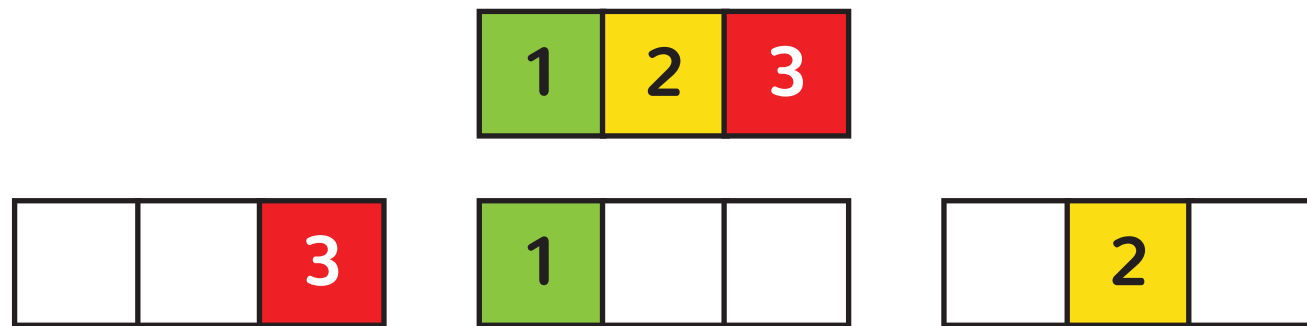

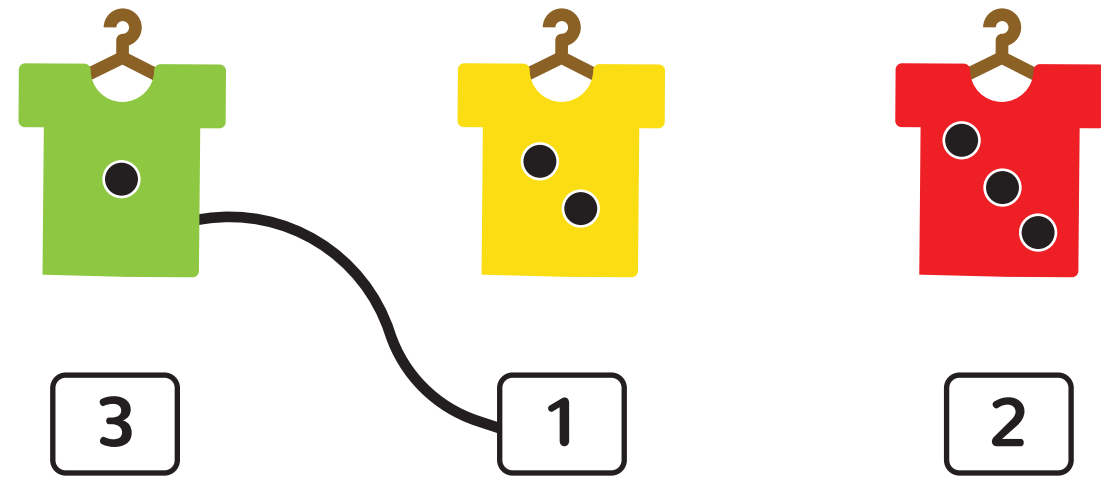

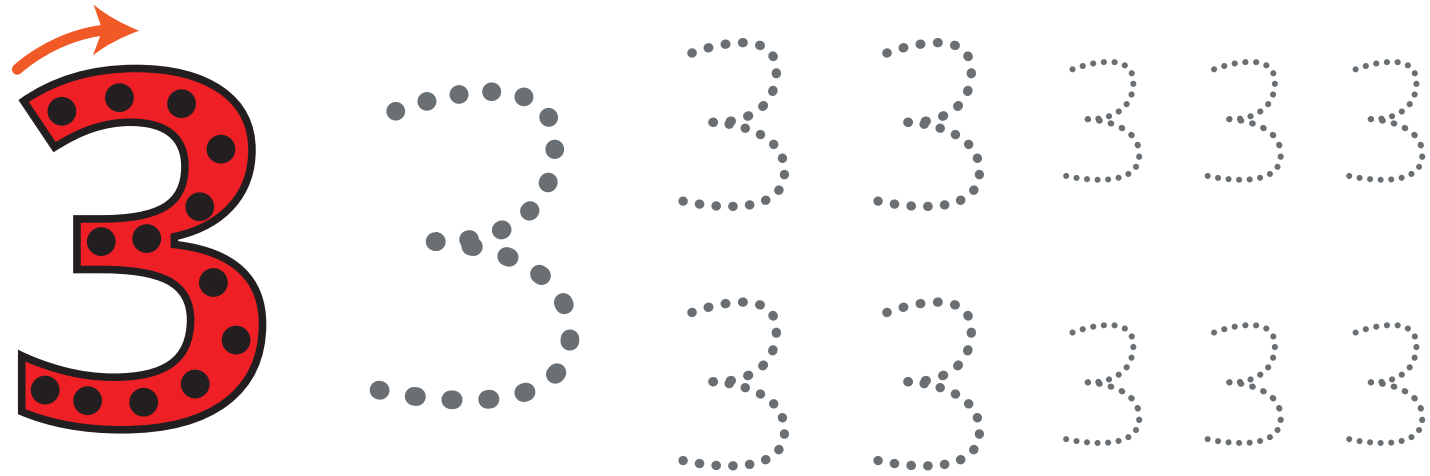

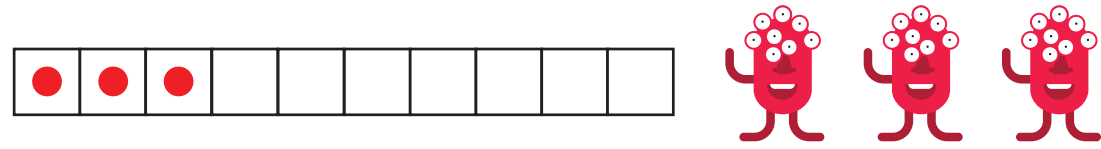

- 45. Los números hasta el 10.
- 48. Series numéricas.
- 49. Conteo de colecciones.
- 50. Unir puntos.
- 51. Grande, mediano y chico.
- 53. Vacío y lleno.
- 54. Es igual.
- 55. Es diferente.
- 56. Figura faltante.
- 57. Figuras geométricas.
- 58. Series con figuras.
- 60. Sombras.
- 61. Caminos.
- 62. Completar figuras.
- 64. Rompecabezas.
